INTRODUCTION

Our Vision

Be the preferred Central American distributor in the United States. Provide high quality products and service to our customers, and as a result obtain total satisfaction among our customers and employees.

Our Objective

To be a leader in the distribution of Central American products.

Our Mission

Our mission is to continuously expand and improve the quality of service and participation of our employees to create an environment for our clients; giving them a variety of nostalgic products, in the domestic market as well as the international market. This will result in the satisfaction of our clients and participation in the Hispanic market and culture.
